A walk celebrating children and adults with Down syndrome

Dear Families,

The Upside of Downs and the National Down Syndrome Society is proud to hold the 4th Annual CSRJA Buddy Walk! The Upside of Downs hosts these events in celebration of individuals with Down syndrome. The Buddy Walk promotes understanding and acceptance of people with Down syndrome. Down syndrome is a genetic condition occurring in one in every 733 live births. It affects all people of all ages, races, and economic levels and is the most frequently occurring chromosomal disorder. Today, Down syndrome affects more than 400,000 people in the United States.

The Upside of Downs of Alken and the Upside of Downs, Inc (Augusta, GA) are support groups for individuals with Down syndrome and their families. By working together, we are educating families and the public on the abilities of individuals with Down syndrome. Our goal is to increase awareness and inclusion of individuals with Down syndrome. Many individuals with Down syndrome have employment such as retail, teacher's aides, even running their own craft stores.

We encourage you to come join us for this special celebration of new possibilities for those with Down syndrome. If you plan to participate in the Buddy Walk, please fill out and mail the registration form on the back of this letter. There is no registration, but T-shirts are \$10 a piece (Buddies receive a free T-shirt). Please fill out the registration even if you do not want a T-shirt.
